

WHAT WILL THE PROGRAM COVER?

- How to use your existing skills to find your ideal job
 - How to use different job search tools
 - How to network to increase contacts in the field you want to be employed
 - Effective interview skills and techniques
 - Regular mentoring support
-

BY THE END OF THE PROGRAM,
YOU WILL HAVE:

- Your own job search plan and career goals
 - Your own customized resume and covering letter
 - A checklist of key interview questions and responses
 - Strategies to promote your skills and experience to employers
 - Confidence to seek and apply for jobs that meet your career goals
-
